

INTEGRATED COMMUNITY SERVICES

JOB DESCRIPTION AND PERSON SPECIFICATION

JOB TITLE: Registered Professional - IPU
(Community Integrated Practise Unit)

BAND: 6

REPORTS TO: Team Manager

BASE: Trust-wide

JOB SUMMARY

The post holder will be required to work within a multi-disciplinary age independent, secondary care Community Integrated Practise Unit (IPU) providing mental health services.

The post holder will have responsibility for the day to day delivery of the service to individual clients and their families and carers via a range of evidence based interventions. They will be expected to provide cover for peers across the Coventry and Warwickshire Partnership Trust, planned or unplanned as required.

The post holder will ensure that all organisational systems and processes are adhered to. The post holder will manage and organise competing and conflicting priorities and manage change in complex situations. The post holder will be a resource of clinical knowledge and competence in the service area contributing to staff and service development.

The post holder will be required to undertake trusted assessments, valid across secondary care mental health services (SCMH) and provide evidence-based clinical interventions to maximise recovery and independence as required by service needs or complex presentations.

The post holder will be a resource of clinical knowledge and competence in the service area. The post holder will be expected to supervise other staff.

The post holder and team will be required to work to the organisation's agile working policy.

The post holder will be required to under take delegated responsibilities as required.

Organisational Values:

The post holder will:

Compassion in Action - We listen, are respectful and respond with empathy, humanity and kindness to the emotions and needs of our patients, service users and carers.

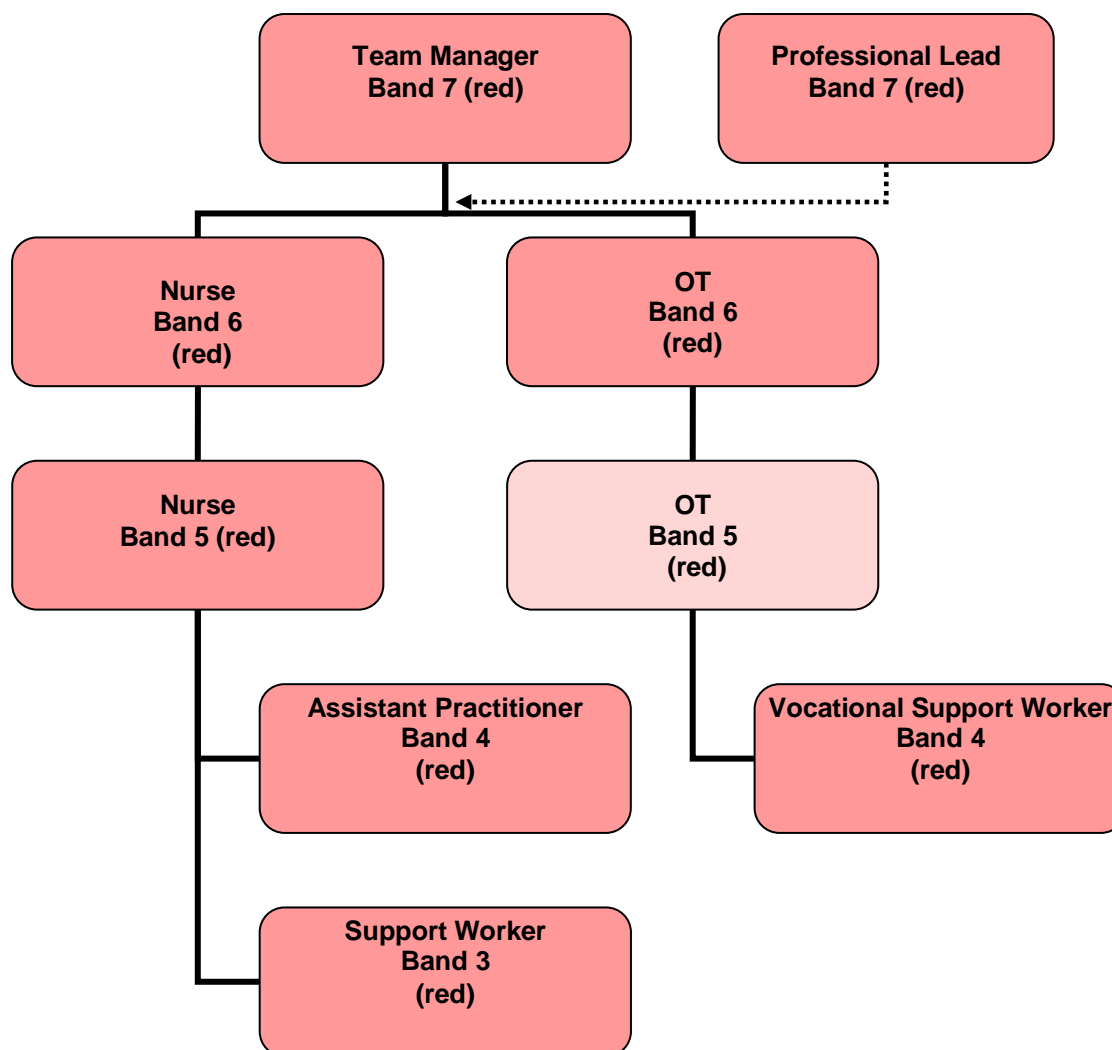

Working Together - We put patients at the centre of everything we do. We communicate with and involve patients, service users, families, carers, and the communities we serve and respond to their feedback.

Respect for Everyone - We provide person-centred care and treat everyone with dignity and compassion at all times. We will see each person as unique and valuable. We respect the contribution everyone makes.

Seeking Excellence - We work in partnership with patients, service users and carers to agree and achieve the best possible outcomes.

ORGANISATIONAL CHART

MAIN RESPONSIBILITIES OF THE POST

Communication

The post holder will:

- Communicate with both internal and external stakeholders, such as service users, carers, other teams, third sector and voluntary organisations.
- Communicate effectively across a wide variety of settings, using tact and diplomacy in response to situations that may be complex and sensitive and may have resulted from conflict.
- Providing advice and use their initiative and follow organisational procedures in routine and crisis situations.
- Apply communication skills which take account of communication needs and differences, in order to plan, deliver and evaluate care.

- Apply enhanced communication skills both oral and written to communicate information within records and reports. This may also include the need to respond to and offer reassurance to questions and concerns from a variety of groups, such as service users, carers and other staff/teams.
- Comply with and implement local and Trust policies and procedures regarding appropriate communication.
- Be required to lead client reviews within the multi-disciplinary team and act as an advocate for service users.

Analytical and Judgemental Skills / Freedom to Act

The post holder will:

- Act within the limits of their competency and authority in line with their professional code of conduct.
- Take responsibility and actively participate in both managerial and professional supervision to ensure their competence and support continuous professional development.
- Provide management and/or clinical supervision to staff within their team.
- Ensure that their professional competence enables them to determine the appropriate actions from a range of options.
- Evaluate and deliver advice in complex situations.

Planning and Organisational Skills

The post holder will:

- Undertake routine management and organisation of their own time and activities to support the completion of their designated role within the team.
- Support others in the in the team to effectively manage their time and resources to effectively deliver care from the team
- Plan and manage a range of activities which may be complex in nature and delegate appropriate responsibilities to other members of the team.
- Review, evaluate and adjust activities in response to the changing demands.

Physical Skills

The post holder will:

- Have the ability to use I.T. systems sensibly and purposefully to meet the needs of the role and will be required to utilise systems safely and securely in line with organisational guidelines.
- Attend annual training and undertake life support training appropriate to role.
- Undertake MAPA training to a level appropriate as designated by the line manager.

Responsibility for Patients / Clients

The post holder will:

- Apply enhanced clinical knowledge and skills to the work environment.
- Identify and verify factors including contra-indications apparent from patient history.
- To deliver specific interventions in line with the treatment pathway, including complex clients.
- Evaluate potential efficacy of planned intervention, given all available data
- Liaise with colleagues and other clinicians to clarify and resolve any discrepancies or difficulties in the evaluation of patient data.
- Generate options including modification or alternatives to planned intervention to meet clinical need as appropriate.
- Verify suitability and potential effectiveness of planned intervention or suggested alternatives.
- Agree course of action with those responsible for performing the intervention.
- Document key points of agreement, including specific factors which influenced advice and recommendations.
- Assess and plan care delivery for individual service users within the framework of the Care Programme Approach.
- To facilitate transfer between services, sign post and/ or discharge as appropriate.
- To routinely enquire, identify and report through the appropriate procedures any safeguarding issues.
- To report safeguarding issues that are identified via others.
- To perform the role of investigator for matters of safeguarding as directed by the safeguarding manager
- Enable service users to choose and take part in activities that are meaningful to them. These may include self care, education, recreational and work activities.
- Work in partnership with service users in developing their care plan.
- Obtain valid consent from an individual or relevant other for a range of healthcare activities.
- To participate as part of the multi-disciplinary team implementing, evaluating and reviewing all aspects of the service users care.
- Advise, inform and support on the physical health and wellbeing of individuals (service users, their family, their significant other) in a holistic way.
- Liaise, advise and inform service providers to enable them to support service users to access and use services in a way which respects their values and supports their rights.
- Evaluate the effectiveness of interventions in relation to supporting the recovery and wellbeing of service users.

Policy and Service Responsibilities

The post holder will:

- Act within own level of authority and legal requirements for maintaining confidentiality in healthcare. This covers all aspects of information, data and other resources relevant to healthcare activities.
- Ensure that own actions and those of others reduce risks to health and safety through removal, mitigation and escalation
- Promote people's equality, diversity and rights
- Consider service needs and make relevant suggestions to all local and organisational policies and procedures.
- Have good knowledge of and comply with relevant legal frameworks such as the Care Programme Approach, Mental Health Act 2008 Capacity Act 2005.

Responsibility for Financial and Physical Resources

- The post holder will be required to work within their own personal duty of care, in line with organisational policy and specific service need, ie. when handling money, medical devices and using mobile telephones.

Responsibility for Staff

The post holder will:

- Share clinical skills and knowledge and support the development of others
- Be required to reflect on and evaluate their own and others values, priorities, interests and effectiveness in order to continually improve their practice
- Receive and provide supervision in line with organisational policy.
- Reflect on their development and maintain own skills and practice by continued learning and development.
- Facilitate others to reflect and develop
- Demonstrate understanding and learning of application in practice supported with CPD portfolio evidence
- Provide mentoring and support for other learners (subject to professional standards and training requirements)
- Undertake Human Resource activities as appropriate to role e.g. appraisal, sickness absence
- Deputise as and when appropriate
- Effectively delegate to others as and when appropriate
- Deputise for senior managerial and leadership staff as directed

Responsibility for Information

The post holder will:

- Gather, store and communicate information relevant to their particular job role.
- Comply with the relevant professional standards.
- Adhere to the record keeping policies and process of the Trust.
- Understand individual responsibility and act in accordance with the national data protection act and organisational information governance policies and protocols
- At all times the post holder must only access information relevant and appropriate to role

Research and Development

- The post holder will be required to contribute to and support research and audit within their service area, as required.

Physical Effort

- The post holder will be required to undertake light physical duties e.g. taking physical health monitoring equipment on visits.

Mental Effort

The post holder will:

- Be required to work in a variety of settings which may be busy and demanding. This will require the post holder to conduct themselves in a professional manner at all times.
- Manage frequent interruptions and maintain concentration whilst carrying out a range of tasks e.g. report writing, assessment and formulation, documentation, individual therapy.
- Frequently re assess and manage tasks required to deliver the service within allocated resources.

Emotional Effort

The post holder will:

- Therapeutically engage in effective communication and relationships with people who are troubled or distressed.
- Be required to establish, sustain and disengage from professional relationships.
- Occasionally manage highly distressing or emotional circumstances i.e. which may include imparting unwelcome news

- Provide support to staff who have been exposed to highly distressing and emotional situations

Working Conditions

The post holder will:

- Be required to oversee and comply with Trust policy in relation to infection control, which includes hazardous waste, hand washing and disposal of sharps.
- Be required to work in an agile manner in response to the needs of the service.
- Be required to use a computer daily.
- Occasionally exposed to unpleasant working conditions e.g. verbal aggression
- The post holder will be required to have a current full driving licence and have access to a vehicle for use during the working day.

OTHER DUTIES

1. The post holder will be required to use a computer, either a stand alone or as part of a networked system, and will be responsible for the quality of information. The amount of time spent on this type of work will depend on the job.
2. The Trust embraces the principles of Improving Working Lives and all staff will be required to adhere to the standards laid down in this initiative.
3. The post holder will be required to take part in an annual performance appraisal, where this job description will be reviewed, and objectives set.
4. The Trust has a No Smoking Policy that prohibits any smoking whilst at work.
5. To follow and adhere to the Trust's Health and Safety Policies and instructions and be responsible for your own and others health and safety in the work place.
6. The post holder is expected to contribute to the creation of a working environment where everyone feels respected, valued and treated with dignity.

This job description is not exhaustive and may be amended in consultation with the post holder. It should be reviewed whenever major changes have been agreed to the post and should be reviewed as part of the annual appraisal process to ensure it remains an accurate reflection of the duties and responsibilities undertaken by the post holder.

Safeguarding Children and Adults

All Trust staff have a responsibility to ensure the safeguarding of children, young people and vulnerable adults. This includes attending statutory and mandatory training, adhering to local Safeguarding Children and Adults boards' policies and procedures and inter-agency guidance as identified in the Trust's Safeguarding policies and procedures.

Confidentiality

Personal information and many of the duties of this post are of a confidential nature and disciplinary action will be taken if confidential information is divulged to inappropriate persons.

Data Protection Act

All staff are reminded of their duties and responsibilities as employees under the General Data Protection Regulations (2018) and in particular to ensure that Personal Data is not negligently or unlawfully handled or disclosed to unauthorised persons.

Infection Control

As an employee of Coventry and Warwickshire Partnership Trust you are responsible for protecting yourself and others against the risk of acquiring a Healthcare Associated Infection. All staff, clinical or non-clinical are expected to comply with infection control policies and procedures. You will attend the mandatory infection control training and updates as required by the Trust.

Environmental Issues

The Trust is committed to reducing its impact on the environment by preventing pollution, continually improving its environmental performance which increases the wellbeing of staff and patients. As a member of staff you are expected to adhere to policies to assist the Trust in meeting its environmental and sustainability targets.
